Regional Care, Inc. Announces Asset Sale To CGS Health

New business agreement expands access to affordable, high-quality healthcare for employers and members.

Scottsbluff, NE: Nov. 3, 2025 - [Regional Care, Inc. \(RCI\)](#), owned by [Regional West Health Services](#), announced today that it has entered into a definitive agreement to be purchased by [CGS Health](#), a national third-party administrator focused on improving access to affordable, high-quality healthcare benefits. The asset acquisition integrates RCI's trusted local expertise with CGS Health's technology-driven solutions to create new opportunities for employers and members to save money while improving member experiences.

"We are proud to have found an acquirer of the RCI assets in CGS Health that recognizes its potential. Their experience in third-party administration and focus on growth will ensure that RCI continues to thrive and expand opportunities in Scottsbluff and beyond," said Ned Resch, Regional West President and CEO.

For more than three decades, RCI has helped employers navigate healthcare challenges through responsive service and a strong commitment to their employees and communities.

"We are excited about what this means for our employees, clients, and our community," said Allison Claussen, Interim President, Regional Care, Inc. "CGS Health brings complementary capabilities that strengthen our operations and create room to do even more for those who we've served for the last 30-plus years."

The transaction strengthens that mission, by connecting RCI's service with CGS Health's resources, broader capabilities, and new tools to deliver value and savings for every client.

"RCI has earned the confidence of employers and members through decades of personal service. The asset acquisition preserves RCI's local roots while extending their reach and resources. We are excited to work together to deliver measurable results for employers and improved experiences for members," said Michael Pastor, Chief Executive Officer, CGS Health.

The transaction is expected to close on Dec. 1, 2025. RCI will continue its operations during the transition period. Following the closing, CGS Health will assume responsibility for the acquired assets and operations from its Scottsbluff office with the same leadership, employees, and client relationships in place. Clients can expect uninterrupted service and continued focus on providing healthcare solutions that are affordable, accessible, and effective.
